The Royal Society of Medicine
Full Collection

For easy access to the best in medical publishing take out a subscription to the
Full Collection from RSM Press

RSM Press is the publishing arm of the Royal Society of Medicine, a major
international medical society with multi-disciplinary and multi-professional
membership. Our journals are peer-reviewed, and widely referenced, and range
in scope from primary research to clinical practice.

The Royal Society of Medicine Full Collection meets the needs of academics
and practitioners and is available in two formats.

The online-only subscription gives librarians and readers:
• quick and easy access to a whole range of research articles
• access to full text, where available, with links to references and cited articles
• perpetual archival rights to paid-for content where RSM has the rights to
deliver it
• first sight of articles published ahead of print, where available
• IP and/or remote user access authentication
• a 10% discount on the print subscription price

The printed and online subscription offers all of the above features with the
added advantage of access to the printed journals.

Subscribe to the RSM Full Collection and receive all of the following RSM journals:
• Acta Radiologica • Acta Radiologica Short Reports • Annals of Clinical Biochemistry • Clinical Ethics • Clinical Risk
• Experimental Biology and Medicine • Hand Therapy • Health Services Management Research
• International Journal of STD & AIDS • International Journal of Care Pathways • Journal of Health Services Research & Policy
