

## liste des titres et codes des journaux ASME 2017 et calendrier de parution

<b>PARUTION TRIMESTRIELLE</b>	<b>CODES</b>
Journal of Computing & Info Science Engineering	JCISE
Journal of Engineering Materials and Technology	MATS
Journal of Electronic Packaging	EP
Journal of Medical Devices	MED
Journal of Micro and Nano-Manufacturing	NAMA
Journal of Nuclear Engineering & Radiation Science	NERS
Journal of Risk & Uncertainty in Engineering Systems	RISK
Journal of Thermal Science & Engineering	ATSE
Journal of Electrochemical Energy Convesion & Storage*	FC
Journal of Verification, Validation and Uncertainety Quantification	VVUQ
<b>PARUTION BIMESTRIELLE</b>	
Applied mechanics Review	AMJ
Journal of Computational and Nonlinear Dynamics	CND
Journal of Energy Resources Technology	JERT
Journal of Tribology	TRIB
Journal of Mechanisms & Robotics	JMR
Journal of Offshore Mechanics and Arctic Engineering	OMAE
Journal of Pressure Vessel Technology	PVT
Journal of Solar Energy Engineering	SOL
Journal of Vibration and Acoustics	VIB
<b>PARUTION MENSUELLE</b>	
Journal of Applied Mechanics	JAM
Journal of Biomechanical Engineering	BIO
Journal of Dynamic Systems, Measurement, and Control	DS
Journal of Fluids Engineering	FE
Journal of Engineering for Gas Turbines and Power	GTP
Journal of Heat Transfer	HT
Journal of Manufacturing Science and Engineering	MANU
Journal of Mechanical Design	MD
Journal of Turbomachinery	TURBO

\*Journal of Electrochemical Energy Convesion & Storage

est le nouveau titre de Journal of Fuel Cell Science and Technology
