KARGER

Karger eBooks Serials Collection 2014

Since its launch in 2008 the Karger eBooks Serials Collection has fulfilled its promises to libraries: a single invoice per year and seamless online access to serials eBook volumes as soon as they become available.

With a minimum of 40 high quality eBooks across the medical disciplines, this collection is essential for all libraries with a focus on medicine.

Due to our consistent publication schedule we can guarantee at least 40 new titles in 2014.

New Book Series in 2014! Aesthetic Dermatology

An innovative global approach to evidence-based aesthetic medicine. Innovations in techniques, such as laser therapy, as well as pharmacologic and cosmetic procedures are presented in this new book series.
